A woman with long brown hair is posing on a set of stone steps. She is wearing a black lace-trimmed bra, black lace-trimmed shorts with a zipper down the front, and black thigh-high boots with high heels. She is looking directly at the camera with a serious expression. The background consists of tall green grass and a chain-link fence.

It seems that the older I get the hornier I get. And the more I want to try something new. Not the same old sex in the same old, tired positions. Even though there is very little new to do, it becomes new with a new partner or place. That's what I look forward to.

Oh yeah, and I look forward to the sex, too.

There are very few men I'll let into my booty hole. It's the one thing that still has a bit of a taboo for me, even at my age. I remember the first time and that first forbidden sensation and I liked it. I thought it was supposed to be nasty and wrong, but it actually felt pretty good and I know my partner wants it. What more do I need.

For years I was a club girl. I loved the rock and rollers and would travel around to the clubs ready and willing to service the band. I usually went for the drummer, but I'd do the singer and even the bassist. But the drummer's always had the best rhythm.

Now, I still live the fantasy and like to dress the part when I meet the right kind of guy.

**Dear editor,**

Last Tuesday, I came home late on Tuesday from work exhausted, threw my briefcase down and saw my husband just staring at me. I instantly got a chill running through my body but had no reason to understand why. He took a sip from his brandy snifter and, without even saying 'how was your day,' told me to take my blouse off. I asked why, and then he said in a stern voice, "Because I say so."

I unbuttoned slowly, looking him straight in the eye and let it drop to the floor. He takes another sip, "Now the skirt." I unzipped it, and stood there in just my bra, panties and high heels. Then he softly demanded, "Take off your bra. Now your panties." I felt myself begin to get wet. "Finger yourself, and make your nipples hard." I ran a finger down there and rubbed my button, and teased my nipples with my other hand as he watched, fully clothed, still sipping his brandy.

He told me to lick my

*I'm now 35 and I had sex with my now-retired 66 year old math teacher from private school who's a great looking gulf. It was fifteen years ago when I returned home from college and went to the school to say hello and thank her for getting me through school. Well, when I saw her, she looked just like your cover model, Donna. I almost creamed my pants right then and there. Unconsciously I blurted out if she would have a coffee with me and to my surprise she agreed. Well, we talked for almost three hours and when I drove her back to her house, we sat in my car like school kids and she gave me a hand job, all the while talking about her classes. I creamed right there in my pants and kept going back the rest of the summer for more lessons from her.*

fingers. I brought them up to my mouth and tasted myself. "I want you to come over here and take it out." I could see the big bulge pushing against his pants, and I undid his buckle, unzipped him and pulled his boxers down. I wrapped my fist around his hard cock, pumped it up and down a couple times, and lowered my head but he stopped me. "Now put it between your breasts," he said. I held it between my boobs, and pushed them together, and he slowly started thrusting between them. He took another sip.

"My dear, I want you to lick the head every time it comes up." I started nibbling his slit as it slid up to my mouth. I licked the clear juice that started to bead on his slit, tasting the saltiness. He put his glass down. "Bend over the sofa arm." He stood up and I felt the tip of his cock part my pussy lips, then I felt his hands on my waist. He pushed it into me, and started rhythmically fucking me. It felt so good. He slapped my butt cheeks, and started going faster. I was pushing

back into him, needing it. I could hear his hips slapping against my bottom as he really started to drill me harder and harder. I told him I was close, and he went even faster and I felt the climax rise inside of me. I moaned as my body was overwhelmed with the spread of pleasure from my groin and buried my head into the sofa seat. He kept giving it

and I couldn't wait. It had always been a secret fantasy of mine to get fucked in the ass. I couldn't believe it was happening. He got in place behind me.

He pushed the tip of his cock into my ass and I leaned back so that he slid the rest of the way in. Then he started pumping in and out of me. As he built up steam and

reserved into my mouth. "Now swallow," he said. I swallowed it down greedily and licked my fingers.

### ***It's payback time:***

It's a lazy Sunday afternoon here in muggy St. Louis and I'm sitting at the kitchen table thinking about things. Things that just have to write it down and I'll probably send it off to someone, so if you're reading this, I decided to mail it off. I know it will probably get long, but hopefully not boring. So please read on.

Like most women, my sister-in-law Shanna likes to shop. One day she got carried away at the mall and (inadvertently or not) spent all her rent money for July. She then asks my wife if we would loan it to her so that her husband wouldn't know. We agreed and dropped \$1,000 into her hands and told her to go right to the bank and put it in. Next month it was something else, then another thing until she was into us for almost twenty five hundred dollars and I had to put a halt to it.

But she kept calling my wife who got mad at me for not helping her little

sister. I didn't appreciate that because I had helped her and it was about time that she started paying us back or I was going to tell her husband. She begs me not to tell him and I was surprised when she told me she had thought of a way to pay us back.

She said she found out that Henry's business trips were not all about business. She intercepted some text messages from ladies in other cities but kept it all to herself. She said she had thought about fucking other men to get back at him and to pay me back. She said she hadn't because she didn't know how to go about it and was afraid to go out alone with other men. I told her that if she was okay with revenge cheating on Henry, I'd help her out. I wanted payback.

The thought of sexing other men apparently excited her and so we sat down and formulated a plan. I told her if she were really serious I would help her. I somehow agreed and then she started squirming a bit. She said that I had to be there. I asked if she meant that she wanted me to actually be in the room while she fucked another guy? "Yes," she said. I agreed and told her that the night

to me hard, as my orgasm ended, grunting, and then he stopped, as deep as he could get, then pulled out.

He pulled out a bottle of lube and squirted some into his hand. He rubbed some on his cock and then suck a finger into my ass. It was cold, but it didn't hurt. In fact it just heightened my pleasure. I knew what he was about to do

rhythm, my body felt like it was on fire. "I'm cumming, again!" I yelled. Then he pulled out of me and got up. "I want to see you with cum all over your face." I repositioned myself to sit on the sofa and looked up at him as he pumped his cock in front of my face. I opened my mouth and stuck out my tongue. It didn't take him long to shoot what he

was still young and if she wanted to try it tonight, then we could leave in an hour or so. We talked a little more and she decided to dress in a short and a low cut blouse, with no panties or bra. She went home to change and when she returned she was wearing a thigh-high skirt with a short slit in the side of it and a thin blouse that did little to hide her erect nipples.

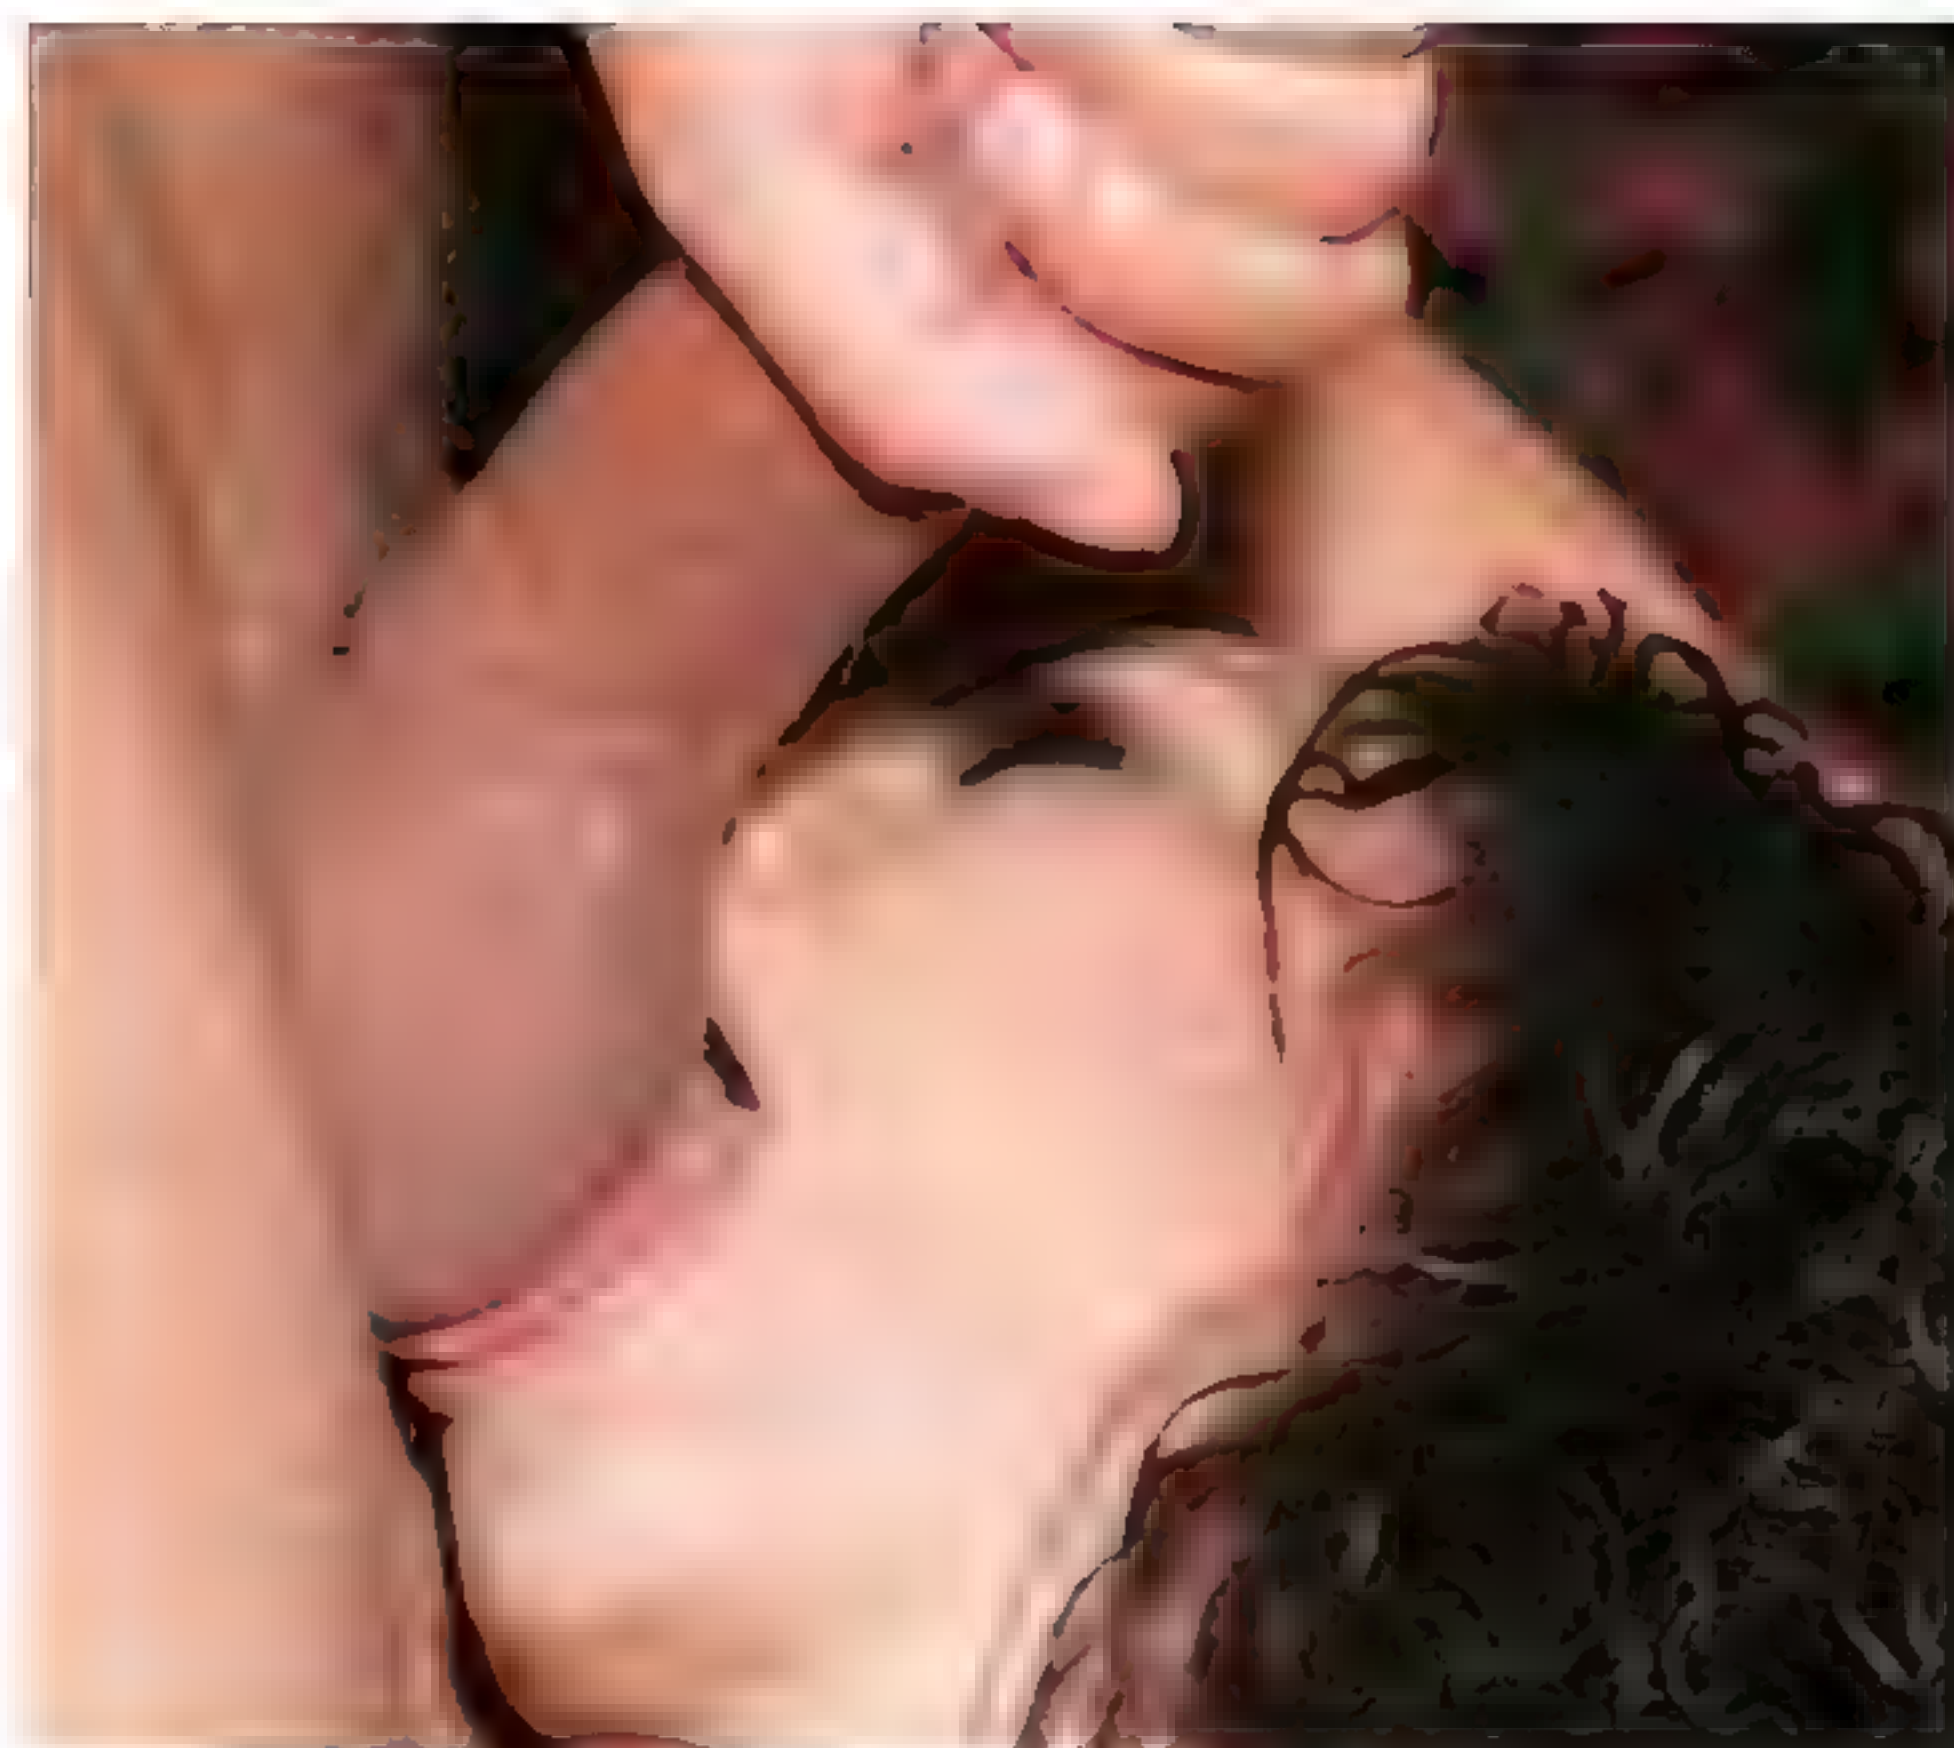

So, I took her to a well-respected nightclub with dinner and dancing, but also had a reputation as a bit of a meat market. When we entered, all eyes turned towards her and me, but then back to her. We took a booth back in the corner facing a table with a couple well-dressed men. She sat facing them and I told her while I went to get us drinks that I wanted her to spread her legs and flash them without being too obvious. By the time I got the drinks and got back to the table, one of the men was already talking to her.

He said this is a hot lady you have here, and I said yes she is and she is my sex slave and will do anything I want her to do. He asks me if I shared her and I told him yes but that she is expensive and I had to watch her perform.

He told me that he would give me a grand for the evening to do what ever he wanted to do to her.

I said she is all yours. We walked just across the street to the hotel where he was staying and took the elevator to his room. The door to his room wasn't shut well before he had both hands on her tits. I took a seat and watched as he lower his hand to her bare pussy and started fingering her and unbuttoned her blouse with his other hand, letting it slip off her arms to the floor. Now he lowers his mouth to her nipples sucking one and the other. I had been wondering how she would respond to a total stranger but he already had her moaning and squirming.

He took her to the bed, pushing her down on her back, spreading her legs wide and mounted her. She was so wet now that she took his nine-inch cock with on deep thrust. He left it in her for a while to let her get use to it and then begins to fuck her fast hard and deep like a machine. She's screaming for him to fuck her faster and was loving it. She screamed as they came together. I watched as he climbed on her and told

her to suck his cock. She went to work on it. I was hard as a rock watching her on her back sucking him with her legs still spread out.

She was really working on his cock now and again he came in her mouth, just enough for her to taste it. He sent her to the bathroom to clean up as a knock came on the door. He answered the door and it was his two friends. Shanna walked out of the bathroom still nude and was shocked to see them standing there eyeing her up and down. They all took turns with Shanna, fucking her pussy and mouth until midnight before he gave me the thousand dollars. When we got home I asked her if she was all right and she said it felt so good and I had the best time of my life. I hugged her and kissed her on the forehead. I gave her the grand and told her

she had earned it.

She told me to keep it as part of the money she owed, but I said that she should deposit it tomorrow and pay me when she had it all. I thought that having the money, even for a short while, gave her more confidence and she could actually see the benefits of her labor. Then she asks when are we going to get her fucked like that again? I told her when Henry was on his next business trip to call me. But she didn't know if she could or if she wanted to wait that long. I'm glad she's found a good gig.

My neighbor just turned twenty-one and confessed to me that she has never had sex.

In this day and age, that's hard to believe. So she asked if I could give her some pointers. She said she had given a few blow jobs and hand jobs, but the rest was still a bit scary to her. I told her that sex is hard to describe. It's so much easier to show, so I got some help and you, too get to see her first lesson.

Well, that's lesson number one. I think we pretty much covered it all. I think the anal sex part should have probably been in lesson two but I got so hot that I just had to have it in my butt right away. I was thrilled when Britney wanted to taste the cum at the end. *My grandfather would reply when asked what wine he liked best:  
"The wine of other people"*

## california wine country bacchus be proud

*WINE ISN'T THE ONLY THING WITH A SAVORY TASTE*

I arrived at Meagen's place around eight in the evening. She opens the door for me smilingly and wearing a skimpy knee length summer dress, low cut that showcased her bountiful cleavage. The shape of her, full, curvy ass is distinct through the flimsy material of her dress. I am all charged up looking at her. She comes forward and greets me by kissing on the cheek. Meagen is in her early 50's and I am in my early 30's. I like my women as I like my wine. Full-bodied and well-aged, like Meagen.

A bottle of chardonnay is already chilling with two glasses on the table. A bouquet of roses and lilies joins them, spreading their lovely fragrance. I hear soft instrumental music creating a romantic atmosphere in the background. I stop near the table and gather courage to hold Meagen's hand, then be more forward and kiss her. How romantic and sexy Meagen is. She smiles back

at me and places her lips on mine and takes me into a long passionate kiss which lasts for several minutes and we both end up on the sofa sucking each others tongues. I'm so happy that I discovered her even if so late and I hope to have the best time which I only have imagined in my dreams.

I was also thinking that after my neighbor had taught me the first lessons of sex, I am again with an older woman which always has been my all time fantasy and I am going to make the best of this opportunity. I assure her that every moment spent with me will be a great delight.

Being the gentleman I am, I pour the wine into the glasses and offer one to Meagen. We both sip on it talking about each others private live. She comes over and sits right next to me, her dress pulls up showing a little part of her thighs. We finish the first glass and Meagen did the honours to pour the second one.

*I lay her on the bed and spread her legs. I went forward and sniffed her pussy, inhaled in sweetness and put my mouth all around her pussy lips...*

We exchanged our views on life and sex while having sex and I discovered from her that at times she would prefer to dominate me. I found that very sexy and reminded me of my neighbor again; how she had made me her sex slave and how she used to make me do things for her. Meagen told me how she always imagined me to be next to her whenever she went to bed every night. This really aroused me and I found it really sexy. Tonight, I was smiling at waiting for Meagen to make her first move, and she did. We engaged in a long embrace and passionate kiss. Her hands began fondling my bulge and she placed my hand on her boobs. I took the liberty to insert my hand through her dress and caress her boobs. She stopped and whispered to me to release the bra from the backside. I did it promptly. I felt her bra slip down and her 36D breasts jump out. I instantly put my hands on them and reached her nipples which were stiff by now. She gets up and undresses and then undresses me.

Now I'm standing in front of Meagen just my boxers. I put my hands to push them down and she stops me. She pulls me forward to remove her dress, the bra dropped down automatically. Meagen was standing in front of me now in only her lace panties. Next moment, Meagen's hand is on my bulge and with her other hand she was offering me her one of her boobs. I put my mouth on the nipple and started to suck like a small child. A marvellous boob of that size with a perfectly pointed and hardened nipple. Meagen took charge of my cock by pushing my underwear down as I was busy sucking her one boob and caressing the other. I was taking turns from one boob to another.

On her orders we entered her bedroom. She leads

the way and I grab the wine glasses and follow. I put them down on the side table. We headed to the bed and I touched her pussy and as well I caressed her ass cheeks. She sighed and I knew I was doing something right.

I lay her on the bed and spread her legs. I went forward and sniffed her pussy, inhaled in sweetness and put my mouth all around her pussy lips covering them and squeezing them in my mouth. Next, my tongue entered her pussy licking the already wet clit, a little sticky but very tasty. My hands were moving on her ass cheeks as I was licking her lovely pussy. Her moaning and her

pulling my hair slowly was my inspiration and sign of assurance that she was enjoying every bit of it. My fingers reached her ass crack as I pushed my tongue deep inside her wet pussy. She raised her butt to let me rub the area around her butt hole. I gently inserted my finger into the hole and kept licking Meagen's pussy like a maniac.

I come up for air and grab a glass for a large sip of wine, then licked almost every drop of her juice from her pussy wherever my tongue could reach. My lips and mouth were smelling of her pussy and this was a big turn on for me. I stopped and went

up to kiss her. She pulled me towards her and started licking my lips and mouth. I whispered in her ear that I wanted to explore her back door. Before even I could get up and go for my next move, she had turned herself and she was digging her face into the pillow and raising her hips. Her buxom ass was inviting me. I opened her cheeks and could see the little darkened area around her hole. I gently opened her hole with two fingers and put my lips circling encircling it and squeezing it in my mouth. I was touching the tip of the hole with my tongue and finding it difficult to get my tongue in so Meagen helped me open it.

I come up for a quick breath of air and another sip of wine before pushing my tongue into her hole and start licking it. Meagen was on top of the world as she was moaning loudly and making me rub her clit. Moments later my fingers were full of her juices which I licked cleaned. I turned her around because my cock was rock hard. I was desperate to fuck Meagen now. My passion was reaching the highest peak. I leaned forward and kissed Meagen on her lips shoving my big eight inch thick-headed cock into her pussy at the same time. Meagen's pussy was warm and deep but I still reached the bottom of her hole as if her pussy was made for my cock only. I slapped her boobs gently as I entered her fully. She was screaming with pleasure and I was pumping her as I had never done before.

Fucking this older woman was driving me absolutely insane as my cock was swelling up more and more with thoughts of Meagen's age. This went on for many minutes and I got to the verge of cumming. I screamed at the top of my voice. My cum was shooting in her and she came at the same time, biting on my shoulders, digging her nails in me and scratching me as she moaned and shrieked in a vivid climax. Afterwards, we held each other, warm and fuzzy like two socks bundled in the sock drawer.

Later that night we showered together and sat by the fireplace sipping the remainder of our wine. I reloaded the glasses and we started kissing and making out again. My cock arose, ready for her attention, but I couldn't wait. I told her to lay on her stomach and put a large sofa pillow under her hips. I dripped some wine down her butt crack and licked it clean. I spread her cheeks, fingered her butt hole, and began to insert my cock into it. She pushed back to accommodate me and I had her ass for the first time. She came within a few minutes moaning that she had never felt anything like that before. I jammed her ass hard for a few more strokes and spilled my seed deep in her butt. We fell asleep on the floor and woke up in the morning all gooey.

Life has been so good with Meagen walking into my life. Neither my wife knows, nor Meagen's husband, and we both hope this will remain our little secret.

Yes, I was tattooed before tats were cool. Now I wear them with pride where I used to hide them. I love it when I'm about to sleep with a guy for the first time and he sees my clothes come off and all my tats are exposed. It makes them hot.

# Michelle

We'll usually talk about them before getting down to it. And then it gets super hot.
